DJ'S IN THE COMMUNITY

DJ's Bail Bonds was founded by David Johnston in 2011. DJ's Bail bonds located in Raleigh, North Carolina is dedicated to giving back to the community. Our company began with one mission, and that was to treat everyone in our local community with respect.

The drive for this mission came from someone very close to David—his son, a special needs child.

We understand that life isn't always fair, and things aren't always black and white; we have made it our job to provide services to others, at the best of our ability. This is why we want to continue to be a vital part in our community.

DJ's Bail Bonds is proud to be a sponsor of many schools and organizations around the community and throughout the state of North Carolina.

Having school-aged kids, its fun and exciting to be able to represent them and their hobbies — that is why we are proud to Sponsor both Corinth Holders High School and Archers Lodge Middle School.

Our kids are extremely active in the Marching Band, and it has been our honor to be able to donate to the organization, as well as Sponsor band kids, when needed.

David Johnston, owner of DJ's Bail Bonds, has also previously owned DJ's Dogs on the Run, LLC — a multitude of hot dog carts that have been used for many events and special occasions. We gladly welcome the use of our carts for events in our community— we have been able to attend children's fundraisers; like summer carwashes at Riverbend Elementary School, events held by Gigi's Playhouse in Knightdale, NC, first Fridays with a local coffee connoisseur.

LET US SPONSOR YOU

Anthony, our incredible son with Autism doesn't let anything stop him. We believe in giving him the same opportunities as anyone else. We couldn't be more grateful for our extended family at Gigi's Playhouse, where he goes for therapy and the teachers at Archers Lodge Middle School, for welcoming him with open arms.

We believe in supporting organizations that are close to our heart and give us something to believe in on a daily basis.

We are proud to Sponsor and represent: Triangle Down Syndrome Network, Autism Society of NC, and St. Ann Catholic Church.

HOW CAN WE DONATE TO YOUR ORGANIZATION?

If we can donate, or sponsor your organization or event, give us a call — we sponsor Autism Society of NC during their Christmas with the Troops events, local start up companies and entrepreneurs, and so much more. We always look forward to lending a hand and bringing our community that much closer together.
